## Report of Independent Registered Public Accounting Firm

The Benefits Committee  
City National Corporation Profit Sharing Plan:

We have audited the accompanying statements of net assets available for benefits of the City National Corporation Profit Sharing Plan (the Plan) as of December 31, 2004 and 2003 and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2004 and 2003 and the changes in net assets available for benefits for the years then ended in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

**PROFIT SHARING PLAN**

Notes to Financial Statements

December 31, 2004 and 2003

**(d) Vesting**

Participant contributions and the Company's matching contributions are immediately fully vested. A participant shall become fully vested in his or her entire accrued benefit upon the participant's normal retirement date (as defined by the Plan). The Company's profit sharing discretionary contributions, for participants whose employment terminates prior to his or her normal retirement date for reasons other than death or total disability (as defined by the Plan), shall vest in accordance with the following schedule:

<u>Years of service</u>	<u>Vested percentage</u>
Less than 2 years	0%
2	25
3	50
4	75
5 or more	100

Any nonvested amounts in a terminated participant's account will be forfeited in accordance with Plan provisions and used in the following sequence: first, to reduce matching contributions in the year that the forfeiture first becomes available; second, to restore previously forfeited account balances, if any; and third, to reduce matching contributions in the following year. At December 31, 2004 and 2003, forfeited nonvested accounts totaled \$326,125 and \$13,090, respectively. During 2004 and 2003, the total amount forfeited was \$1,000,413 and \$437,181, respectively. During 2004 and 2003, \$687,378 and \$423,545, respectively, were used to offset matching contributions. The remainder was used to restore previously forfeited participant account balances and to offset the following year's matching contribution in accordance with the provisions of the Plan.

**(e) Benefit Payments**

A participant may receive a distribution of his or her entire vested accrued benefit only upon the participant's termination of employment. While employed, a participant may receive a distribution of his or her rollover account and employee contribution deferrals for reason of financial hardship, in accordance with Plan provisions. Withdrawal of previously contributed employee after-tax contributions is also permitted in accordance with Plan provisions.

For distributions other than for financial hardship or on account of withdrawal of employee after-tax contributions, the method of payment shall be based on the participant's election and may be made in one or a combination of the following methods: a single lump sum; installments (if eligible as defined by the Plan); or direct transfer to an Individual Retirement Account (IRA) or tax-favored plan that accepts the transfer. Distribution shall be made in cash or in-kind, in accordance with the participant's election and Plan provisions.

**CITY NATIONAL CORPORATION**  
**PROFIT SHARING PLAN**

Notes to Financial Statements

December 31, 2004 and 2003

**(f) Participant Loans**

Loans to participants may be made, at the discretion of the Plan's administrator, in an amount not less than \$1,000 and not to exceed the lesser of 50% of the participant's vested account balance, or \$50,000 reduced by the highest outstanding balance during the previous 12 months. Participants may only have one loan outstanding at a time. Such loans are collateralized by the participant's vested balance in the Plan and bear the prevailing interest rate used by lending institutions for loans made under similar circumstances. The terms of these loans cannot exceed five years except that if the loan is used to purchase the principal residence of the participant, the loan term may be extended for up to a period of fifteen (15) years. Principal and interest are paid ratably through payroll deductions.

**(g) Plan Termination**

The Company has not expressed any intent to terminate the Plan; however, it may do so at any time, subject to the provisions of ERISA. In the event of Plan termination, participants automatically become fully vested in their accrued benefits.

**(h) Plan Amendments**

The Plan was amended effective November 1, 2004 to modify the Plan's definition of compensation for purposes of pretax transportation payroll deductions under Section 132(f)(4). The amendment modifies the definition of compensation for consistency with the Plan's treatment of employee pretax deductions under Sections 125 and 401(k). In accordance with the amendment, Plan compensation specifically includes amounts not includable in the gross income of the employee under Sections 125, 132(f)(4), 402(e)(3), 402(h)(1)(B), or 403(b) of the Code pursuant to a salary reduction agreement.

**(2) Significant Accounting Policies**

**(a) Basis of Accounting**

The financial statements of the Plan have been prepared on the accrual basis of accounting.

**(b) Use of Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities in the statements of net assets available for benefits and the additions and deductions in the statements of changes in net assets available for benefits, as well as the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**(c) Investments**

Publicly traded securities are carried at fair value based on the published market quotations. The Plan's investment in the CNI Charter Funds Prime Money Market Fund and participant loans are valued at cost, which approximates fair value. Purchases and sales of investments are recorded on a settlement-date basis. Dividends are recorded on the payable date.

**(d) Payment of Participant Benefits**

Participant benefits are recorded when paid.

**(e) Administrative Expenses**

Administrative expenses of the Plan are paid by the Company, except for loan and Individually Directed Account (IDA) fees which are charged to the applicable participant accounts. City National Bank, the Plan's trustee, charges a fee for processing loan applications and IDA transactions.

**(f) Risks and Uncertainties**

The Plan provides for various investment options in money market funds, mutual funds, common stocks, corporate debt, and government securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the various risk factors, in the near term, could materially affect participants' account balances and the amounts reported in the financial statements.

**(g) Concentration of Credit Risk**

Investment in the common stock of City National Corporation comprises approximately 28% and 29% of the Plan's investments as of December 31, 2004 and 2003, respectively.

**(3) Investments**

The following table presents the fair value of investments as of December 31, 2004 and 2003, with individual investments representing 5% or more of the Plan's assets available for benefits separately identified:

During 2004 and 2003, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) on mutual funds, common and preferred stock, and government and agency securities appreciated (depreciated) in value by \$24,100,551 and \$41,203,964, respectively, as follows:

<u>Investment</u>	<u>2004</u>	<u>2003</u>
Mutual funds	\$ 15,781,054	\$ 22,375,087

Partnership	(1,337)	—
Total	<u>\$ 24,100,551</u>	<u>\$ 41,203,964</u>

**(4) Party-in-Interest Transactions**

Certain Plan investments are shares of CNI Charter Funds managed by City National Asset Management, Inc. (CNAM) and shares of common stock of City National Corporation. CNAM is a wholly owned subsidiary of City National Bank, which is a subsidiary of City National Corporation (the Plan sponsor as defined by the Plan), and thus, these are party-in-interest transactions.

**(5) Income Taxes**

The Company received a favorable tax determination letter on April 16, 2003 from the Internal Revenue Service stating that the Plan is qualified under IRC Section 401(a) and that the Trust is exempt from federal income taxes under provisions of Section 501(a). The plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.
